

TSP654II AirPrint™ Receipt Printer

The Star TSP654II is the first and only 80 & 58mm receipt and ticket AirPrint POS printer certified by Apple.

AirPrint is an Apple technology providing easy mobile printing solutions for Apple iPad, iPhone, iPod and MacBook users on any private network. Using AirPrint, retailers can print without installing specific printer drivers allowing freedom of movement with the ability to print to Star's TSP654II from anywhere within the business network system. AirPrint support comes preinstalled on iOS devices, allowing the user to discover and output to the desired printer.

Star's TSP654II perfectly fits the bill to be the first certified Apple AirPrint POS printer with its fast 300 mm per second print speed, high quality 203 dpi print, compact footprint and aesthetic design. It can be used in vertical or horizontal mode and includes a wall mount bracket in the box as standard. The ergonomic design with splash proof cover option and easy "Drop-In & Print" paper loading make it perfect for Tablet POS in retail or hospitality.

The TSP654II AirPrint will provide Ethernet & WiFi use with an Apple WiFi alliance certified dongle (PLANEX(GW-USNANO2A), EDIMAX(EW-7811UN), D-Link(DWA-182 rev C1, Linksys(WUSB6300))

- **First receipt and ticket AirPrint POS printer certified by Apple.**
- **Highly Reliable Auto Cutter**
- **High Speed: 300mm / second**
- **Small Footprint**
- **"Drop In & Print" Paper Loading**

iOS
